---

Tricia is an accessible and engaging communicator. She inspires hope, a sense of community, and encourages reflection and dialogue on uncomfortable issues without sugar-coating the facts.

Tricia is available for keynote lectures, group dialogues, and learning sessions at universities, non-profit and community organizations, and corporations.

*"As no one else can, Professor Rose helps leaders see the hidden monster of systemic racism, understand how it really works, grasp the levers for change, and move toward action."*

Jan W. Rivkin, Professor of Business Administration,  
Strategy Unit, Harvard Business School

## Metaracism

How Systemic Racism Devastates Black Lives—and How We Break Free

The definitive book on how systemic racism in America really works, revealing the vast and often hidden network of interconnected policies, practices, and beliefs that combine to devastate Black lives. By helping us to comprehend systemic racism's inner workings and destructive impacts, **Metaracism** shows us also how to break free—and how to create a more just America for us all.

*“A brilliant guide to a systemic malady that cannot be denied.”*

- Kirkus Reviews ★

*“An essential new look at American inequality.”*

- Publishers Weekly ★
